

Get Involved!

Why? As a neighbor, or a friend of the neighborhood, you are at the heart of the Near Northwest and have the ability to make a difference. It's neighbors and friends, like you, that help make our neighborhood so great.

No matter how much time you can commit or where your interests lie, there are a number of opportunities for you to get involved.

Join a committee. There are seven resident driven committees actively working to improve the neighborhood; they range from the Environmental Committee to the Marketing Committee to the Membership Committee.

Help deliver newsletters. To ensure all residents are aware of what is happening in the neighborhood, the NNN hand delivers newsletters to every home. We are always looking for neighbors to help spread the word by delivering newsletters.

Volunteer at an event. The NNN holds a number of events including the Chili Supper, Garden Walk, and Arts Cafe. No event would be as successful as they are without neighbors volunteering their time, cooking skills or gardens.

Tell your story. We are always looking for positive stories about living in the neighborhood to share. If you have a great story that you think others should know about, from a story about your wonderful neighbors or your experience at an event, let us know!

Contribute. Be a friend to the neighborhood; all monetary contributions are welcome and tax deductible.

Other opportunities. Throughout the year, there are a number of other opportunities for neighbors to help out.

If you are interested in **getting involved** with one of the opportunities listed, or you have a great idea for improving the neighborhood, please contact the NNN at 232-9182 for more information.

Together we can make a difference!
